

Mitch Greer

Experience

Director, Amaryllis Recordings (May, 2020 - Aug 1 2020)

- Mastering, Operations, Artist Development, Composition, Marketing
- All Design and Art
- Copywriting

Designer, Developer, Freelance (Dec. 2005 - Present)

Corporations and Non Profits

Grace Cathedral • emails, campaign graphics, often exploring sacred geometry and gothic architecture.

Richmond Art Center • designed membership campaign , art and collateral, book design

Change.org • site for their first hackathon as well as an online animated banner campaign and graphics for a t-shirt.

HP • prototyped animation during their brand refresh in 2008; that project extended into animation and 3d modeling for the company's screensaver, environmental animation for CES, and additional animation for other products.

Music and Education

Merit School of Music • website design and branding.

Ali Akbar College of Music • logo and site to raise funds for a library

Sonic Surgery Records • Packaging and album cover

Technologist, Eleven, Inc. (Dec. 2010 - Jan. 2014)

- Drupal application for Apple;
- Times Square animated takeover for Virgin America;
- JavaScript booking funnel for Virgin America
- PHP application for art submissions to The 3% Conference;
- end logo for a Yahoo broadcast spot;
- animated flash ads for Virgin America, Dignity Health, Union Bank, and TaylorMade, among others.

Senior Designer, Digitas (Jan. 2000 - June 2004)

AT&T • I animated and developed demos for several initiatives, including AT&T Wireless and Consumer. I also designed for AT&T's first DSL launch, and a 3D navigational interface for AT&T Broadband.

Sony • I designed and developed prototypes for Sony's online advertising. I conceived, directed, and filmed experimental short films, and I designed the Sony Music Store.

Yahoo • Illustrated and animated short film called Fables, which won an ADDY in 2004.
